## Objective

To obtain a position as a software engineer in the growing and changing technology field.

## Skills

- Ability to work well with others
- Responsible
- Organized

## Employment Experience

### Child Care

**2014 – 2017**

- Provided child care after school, weekends and during school vacations. This gave me experience with handling multiple responsibilities at once

### RoadtoHire

**2017 – Present**

- Participant in the Road to Hire tech program. I have had the privilege of being part of a program that trains its participants in coding languages like HTML, PHP, CSS, and Javascript. This program allowed me to progress my professional development skills.

## Education

### Phillip O. Berry Academy of Technology

Charlotte, North Carolina

Graduation Date: June 2017

GPA: 3.791 (unweighted), 4.875 (weighted)

Rank: 7 out of 324

## Extracurricular Activities

- HOSA club member 2014: Took part in community service to help clean the school and learn about health science. Contributed in volunteer activities that benefitted the school environment.
- NTHS member 2015-2017: Participated in community service hours and volunteer opportunities.
- Art club member 2015-2017: Helped to plan events/ activities. Historian for the art club, documented and photographed various projects.

## Academic Achievements

- Junior marshall 2016
- Academic Honor Roll: 2014 – 2017

## Languages

- English
- Spanish
